Philadelphia Catholic Youth Conference (PCYC) Youth Witness

“I can explain my PCYC experience from 2022 in many different ways, but one way I would always remember it is magical. That day was amazing, with the music playing and every youth around our region coming together, it felt like Jesus was in the room with us. Not only did I feel my faith grow, but I felt as though everyone took something away from that day and together, we left Immaculata University with a cleansed heart and soul, ready to be the servers of God. The atmosphere of Immaculata that day showed that with God anything is possible. With the gospel music playing it was unimaginable, it felt like I could connect with all my thoughts and find the right answer to all my problems with God by my side. Nothing can make me forget how close I was to God that day, and it just showed how a day connecting with your faith and building it allows you to strengthen the unbreakable bond between myself and my savior, Jesus Christ. PCYC 2022 was magical, and I await how PCYC 2024 would improve my experience, and my faith.”
