Accompanying Through, With, & In Christ

YOUTH Co-leadership Protagonism Initiative

2025 Cohort

In partnership with **goodfaith**

Office for Ministry with Youth

Archdiocese of Philadelphia

Dear Ministers with Youth and Ministry leaders,

We are very pleased to announce the beginning of the new Cohort of our **Youth Co-leadership Protagonism Initiative (YCOPI)** in 2025.

Following you will find YCOPI's Goals, Objectives, Timeline with Phase Descriptions, Recruiting Guidelines, and Q&A.

The YCOPI 2025 Cohort is limited in size to about 10 parishes! Registrations will remain open until all the spots are filled or until August 11, 2025, whichever comes first (there are deadlines associated with participating in our NCYC delegation as part of the YCOPI formation process. Further details are found in the session descriptions below).

When you have found a youth to participate, please email PhillyOMY@archphila.org for availability, and forms required to register your youth and parish.

The excitement and empowerment of our first YCOPI Cohort participants has been more than we expected as they continue to engage their faith in tangible ways. They give witness to YCOPI's ability to help parishes establish, grow, and sustain Ministry with Youth beyond a "youth program". We are hopeful that you will be able to take advantage of this opportunity for your youth, your parish, and the Church of Philadelphia.

Thank you for all your support and care for the young Church of Christ!

Marisally Santiago

Director of the Office for Ministry with Youth

YCOPI Goals

[YCOPI](#) is designed to equip and empower youth to institute and lead Youth Mission Initiatives within parish settings. It builds on the core tenets of Goodfaith's long-standing [research](#) and proven program model in service and social justice.

[YCOPI](#) emphasizes formation for both youth and adults in the spirit of missionary discipleship. The program puts in place an integrated, intergenerational infrastructure to lead tangible youth-led action plans and implement a parish-wide communications strategy. It provides both youth delegates and their adult accompaniers with orientation, training, content, and knowledge needed to sustain these efforts in the long term. Oriented around the Gospel call to service, these efforts have been shown to animate the young Church and strengthen parish communities.

YCOPI Objectives

[YCOPI](#) seeks to:

- Equip youth to imagine and lead a YOUTH MISSION INITIATIVE (YMI)s in their respective communities. These youth delegates, in turn, engage their own communities and “spheres of influence” in whatever their chosen YMI is.
- Deepen youth delegates’ skills and spirituality through cognitive exercises (for leadership training and skill development), as well as catechetical and theological practices (for spiritual discernment and transformation).
- Empower adults through the skills of accompaniment so they can effectively walk with these youth delegates throughout the process.

As a result:

- Parishes are strengthened because of empowering youth delegates to create youth-led parish/community missions and intergenerational engagement in these YMIs.
- Parishes produce young leaders of faith, who see themselves as agents of change.
- Young people in parishes identify their faith as motivation for the work they do, and the work they do as informing/nourishing their faith.

In Their Own Words

Our first YCOPI Cohort not only met these objectives but surpassed them in many ways! You can see quotes of their experience on our [YCOPI web page](#). Here are some of their words:

- “I feel like I have become closer to God because of YCOPI. They helped me with my faith journey. I would want every youth to experience this.” Rosario, youth delegate

PhillyOMY@archphila.org | 215.587.3714 | www.phillyomy.org |    @PhillyOMY | #PhillyOMY

- “Before, I didn’t see myself as an important ‘player.’ Then I saw it was easier for me than adults to get youth involved. I realized I was an important part of getting youth involved in things.” Emily, youth delegate
- “When looking at a parish, it’s easy to overlook the amount of youth. We need to nourish and help them to know the next step in their journey. They’re open to so much more.” Sandy, adult accompanier

Recruiting Guidelines

To assist with selecting the youth delegate and accompanying adults the youth delegate may choose, please consider the following:

Characteristics of the **youth delegate**:

- Growing or seeking to grow in confidence (speak up for what they believe in)
- Passionate
- A team player
- Not overly committed to other activities
- Has enough time to commit to YCOPI
- Spiritual and open to spiritual practice
- Compassionate
- Tapped into the needs in their community or global needs/causes that have local roots
- Has the support of parent/guardian

Characteristics of the **accompanying adult**:

- Empowering
- Supportive
- Creative problem solver
- Flexible
- Spiritual
- Compassionate
- Knows how to delegate
- Able to manage group dynamics
- *Should not be a parish staff member. We also encourage that it not be a parent, although it can be as long as the youth chooses them.

Other things to consider:

- Not necessarily the “go to” youth or adult in the parish but has the right heart and disposition.
- How well the accompanying adult and youth delegate will work together.

Q&A

What is the cost associated with YCOPI?

We are grateful that YCOPI participation is largely underwritten by the Archdiocese of Philadelphia and private donors! However, please note that there are some direct costs to attend overnight experiences including the Deep Dive Weekend Retreat, the National Catholic Youth Conference (NCYC), and the Immersion Week.

Each youth delegate and accompanying adult should plan to cover:

- *Portion* of the Deep Dive weekend retreat,
- *Total* cost of their participation in the National Catholic Youth Conference, and
- *Portion* of the weeklong Immersion Experience in July 2026 as noted on the timeline details.

There are no other costs involved in participating in YCOPI. The YCOPI team will offer fundraising support as needed.

What is the time commitment?

YCOPI is a **two-year** process.

- **Year one** consists of alternating in-person and zoom monthly formation gatherings, a weekend retreat, the National Catholic Youth Conference (NCYC), and a commissioning Mass and celebration.
- **Year two** consists of quarterly peer learning cohorts and an end of year Gathering and Invitation

Youth delegates and their accompanying adults are expected to attend and fully participate in *all* the gatherings and opportunities offered in the two-year program. Of course, we understand that circumstances change that might preclude the attendance or participation of a youth delegate and/or their accompanying adult. We just ask for a good faith effort to engage as fully as possible in the process!

The time commitment for the Youth Mission Initiative (YMI) planning and implementation will vary throughout the duration of the initiative.

What if a youth delegate or mentor cannot attend the Deep Dive Weekend Retreat?

The Deep Dive weekend retreat is an essential component of YCOPI. If a youth or adult is unable to attend the Deep Dive Weekend Retreat, please keep them in mind for later and/or engage them in the work of the Youth Mission Initiative when implemented in the parish.

What if a youth delegate or mentor cannot attend the Commissioning Mass and Celebration, and/or the National Catholic Youth Conference (NCYC)?

Like the Discovery Weekend Retreat, the Commissioning Mass and Celebration is an essential component of being a youth delegate. It is also essential for their accompanying adult. This is where Archbishop Nelson Pérez will officially commission each youth to engage their YMI.

Since the National Catholic Youth Conference (NCYC) is a key component of the YCOPI experience, participation of youth delegates is expected. Accompanying adults are *highly* recommended to attend but not required.

How many youth and adult accompaniers can participate from my parish?

Each parish may recruit one to three teens from their parish. Each teen may choose their own adult accompanier or share the same person in common.

Do note, it is important that the youth select their adult accompanier. If it's more than one teen, it is important that the teens choose whether to have their own individual adult accompanier or share one in common. Of course, they may be assisted in their selection by the pastor, Parish Liaison, parent, etc.

Besides the youth and adult accompaniers, is there anyone else from my parish required to be involved?

Although the youth delegate and the adult accompanier are the only ones required to attend the formation process, each parish will need a Parish staff liaison/representative to be the “connecting” source between the youth/adult accompanier team and the pastor and parish.

Can I identify a youth of any grade level?

No. Due the two-year timeline of the initiative, candidates to be a youth delegate *must* be a rising high school freshman, sophomore, or junior in the 2025-2026 academic year.

How do I inform the Office for Ministry with Youth that we have selected a youth for YCOPI?

Please email the Office for Ministry with Youth (OMY) at phillyomy@archphila.org when you have identified and selected a youth for YCOPI. Letting the OMY know via email will reserve your parish's spot in YCOPI. The OMY will then send you the forms to submit via email or mail to the Office for Ministry with Youth, 222 North 17th Street, Philadelphia, PA 19103.
