1 Where Can Empowerment Come Alive?

Empowerment means walking with and trusting young people to lead now.

- Where could youth or young adults help design, plan, or lead in your ministry?
- How could you make room for creativity, risk, and ‘holy experimentation’?

2 Where Can Sending Become Visible?

Sending becomes culture when we can see it, celebrate it, and repeat it.

- What visible signs of commissioning could become part of your parish rhythm?
- How might these moments connect to liturgy or everyday ministry?

3 What Will It Take to Start?

Culture shifts begin with small steps and shared ownership.

- Who needs to be involved to make this happen?
- What’s one first step you can take within 30 days?
